John Pucarik, a member of the School Board, told me on Wednesday night that this man has "some books of old maps of the area." Pucarik was very friendly to me and suggested that I get in touch with Gier. Job located Gier's name & address in a city Directory that is owned by 46 Canaan.

I was and still am (this is being written down on 01-07-84) horrified/shocked/angry about the perverse situation at 46 Canaan. Job's father beat up Job -- banged up lip, black and blue cheek, possible broken ribs -- and everyone is taking it in their stride. I discussed the matter with DWP and he suggests that it's an extremely indirect & obtuse means by which the father can express his positive feelings towards his son. Curiously enough, John seems to be closer to his father since the fight than
